THE COMPLAINT

Ms. Samina Bibi through Hussain Ahmad Shah r/o District Bannu instituted the instant complaint stating that her husband was served as Surgical (BPS-12) in Health Department District Karak and died during service on 10/06/2022. After the demise of her husband, she approached to the District Health Office Karak for appointment against Deceased Employees Children Quota, Death Grant and Financial Assistance but all in vain. She requested this Forum for redressal of her grievance.

REPLY OF THE AGENCY

Notices under Section 10(4) of the Khyber Pakhtunkhwa Provincial Ombudsman Act, 2010 were issued to Secretary to Government of Khyber Pakhtunkhwa, Health Department, Director General, Health Services Peshawar, District Health Officer Karak & Bannu and Hospital Director, District Headquarter Hospital, District Bannu to meet the allegations contained in the complaint and submit written reply including rebuttal, if any. In response, Medical Superintendent, DHQ Hospital Karak informed that her grievances regarding financial assistance & retirement grant has been sent to the competent authority of Health Department, her grievance of financial Assistance & retirement grant redressed on the spot, so far as appointment under 100% Deceased Employee's Children Quota was concerned, there was only one post of Mali and one post of sweeper, though she was not eligible for these two vacant posts being a woman, however as evident from her written statement taken on file, she was not ready to serve at District Karak due to the reason enumerated in her statement dated 27/05/2023 that she belongs to District Bannu & having small children. In this connection, she is agreed & wished that it would be better if she is appointed against any Class-IV post under 100% Deceased Employee Children
